

## Kinesis Sconce

Description	The Kinesis Sconce merges organically shaped blown glass with precisely engineered brass components. Compact in size, but wide ranging in options. This member of our modular lighting family is available in smoke, clear, or frosted glass: Options that pair well with an array of artisan metal patinas. Bring elegance to your project with this eye-catching accent.
Year of Design	2019
Material	Smoke Glass and Blackened Brass.
