

Apollo Casegood Series

MATTHEW FAIRBANK
— DESIGN —

Description The Apollo Casegood Series combines a solid wood frame with faceted door panels. The doors are mirror polished lacquer and available in any solid color. Shown above in a satin cerused frame with polished white lacquer panels. The Apollo is available in a wide array of door and drawer configurations which can be seen on the following page. The back is also finished.

Year of Design 2010

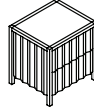

Material Solid wood frame and lacquered panels.
