

Onavillu Casegood Series

MATTHEW FAIRBANK
DESIGN

Description The Onavillu Casegood Series offers a variety of beautifully crafted cabinets that can be hand wrapped in luxurious leather or suede, or finished in polished lacquer. The dresser can also be specified as a solid wood/veneer cabinet. There are many configurations that allow the Onavillu to be used as a night-stand, buffet, credenza, or dresser. The back is also finished.

Year of Design 2012

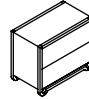

Material Solid wood frame and leather, suede, lacquer, or veneer panels.
