

Pommer Lamp

MATTHEW FAIRBANK
— DESIGN —

Description The Pommer Lamp features a trumpet-like shade that radiates light from its core. The shade is spun metal with a satin finish. The legs of the lamp are carved from solid wood and available in an array of walnut and white oak finishes that compliment the metal shade. Floor and table top versions are available.

Year of Design 2013

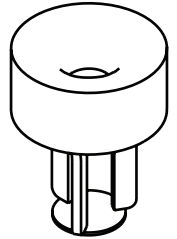

Material Spun metal shade with solid wood legs.
