BARRETT DESK

DESCRIPTION

The Barrett Desk offers a variety of home office solutions with customizable desktop and drawer faces that celebrate the tactile quality of leather. The Barrett features an exposed hardwood frame that encapsulates hand-upholstered leather panels in a finish of your choosing. Our curated selection of leather feels supple to the touch, while maintaining contract grade durability. Even offered with wood veneered top and drawer faces, you're sure to create a design that fits any project like a glove.
